

## Professional Consulting Room Available on Darby Street

At 158 Darby St Cooks Hill, right in the heart of the Darby St cafe strip, we have currently available:

1 consulting/office room to let: Freshly painted, new carpet, air conditioning, desk and shelving, access to power.

We imagine this would appeal to an allied health professional seeking a consulting room, but it is a versatile space that could work as an additional off-site office for your staff, or a startup office for a home based business. If you know of anyone who may be interested, please feel free to pass this information on.

Expressions of interest currently being sought. Please email and proposal, queries, or to arrange an inspection to [heidi@customeyecare.com.au](mailto:heidi@customeyecare.com.au)
